Creamy Cunnies

Dear Virgin Territory,

Since you wanted to know what I thought of the Dec. '13 issue, which arrived today, here it goes. I did not care for Ava's threesome. I prefer her by herself! There wasn't any girl that particularly stood out.

I do want to say though that the DVDs I have seen always show the guy cumming, but not the girls. I would really like to see girl goo dripping from their pussies. I would also like to see them cum. That would give me some idea what to look for if I do ever get sex. Maybe your next DVD could show the

girls with their

pussies oozing girl

goo (could unclude Ava, Gina, Sindy). Maybe one of the female readers would like to help me out? Ha ha. By the way, I am now 53 and still a virgin.-J.H., Aberdeen, South Dakota

Dear J.H.,

If you want to see a girl's pussy cream, we suggest logging on to 18eighteen.com and checking out the hardcore scenes for Heather Night, Ariana Marie and Lacey Channing.

An 18eighteen Retrospective

Dear Virgin Territory,

Recently I have purchased a few of your fine magazines (via phone order-which is awesome). Thought I'd jot down a few humble thoughts/reviews.

Dec. '09: I wanted this issue because of Molly.

Little Gigi belongs in the Itty Bitty Titty Hall of Fame for her sexy, almost nonexistent teen boobs.

overcome with lust when I see her. Jenny is okay. Real bummer there were no shots with her nerd specs on. I'd love to spew all over that sweet, young face. Covergirl Lena is hard to ignore. Hot and toned bodies are always good. Love to see more fitness teenagers. Goldy is kind of cute.

April '11: Gigi was the main reason I wanted this issue. It was obviously a blunder not making her the centerfold girl. Just a mere six pages is all you gave this superstar? Even Linda got seven pages. Whereas Gigi-who has practically one of the hottest pairs of titties of all time-barely got that heavenly, little chest any spotlight. It was kind of a let down. Now Anabelle (page 55): Holy shit! Talk about a smokin' hot fox! She's just about everything a horny mofo like me could want! Young, beautiful and oh, so dick stiffening. Her sexy, young face and her hair are real ball-drainers. She is like a blank canvas onto which I can fulfill all my fantasies.

For example, I'd love to see her in a little league baseball uniform, chewing bubble gum, both hands seductively gripped around her bat, all with the tried and true topper-a backwards baseball cap! Could you just imagine her dolled up as a naughty, little schoolgirl? Pigtails, glasses, Catholic school uniform, braces-that'd be hot!

Bella (page 81): She kind of makes up for the lack of chest pics of Gigi. Because I can't remember ever seeing a body as breathtakingly hot as hers. I love her face, too. I'd love to see her sporting a strap-on. She would ass-fuck Destiny Garnet with a realistic, flesh-colored dildo, or vice versa.-B.B, Portland, Oregon

Dear B.B.,

Thanks for the reviews. We agree that Gigi is worth more than six pages. The thing is, since she's such a young-look-

ing model she set off the censorship alarms in Canada. Of course she was of legal age when we shot her, but certain censors did not want too many photos of her in the magazine. We hope that clears things up.

More Pin-Up Gals

Dear Virgin Territory,

The young ladies you are featuring in *18eighteen* are getting so cute. It's great. I love the girl-next-door look. I would love to see retro pictorials and pin-up style pictorials. Sexy hairstyles would like nice too. Less hardcore. *18eighteen* is a great magazine and get-

ting better.–B. R., Jacksonville, Florida

Dear B.R.,

Thanks for the suggestions. We'll definitely consider them. In the meantime, enjoy this pin-up photo of teen Angelica from the Leg Sex April '09 issue.

Pregnant Teens

Dear Virgin Territory,

I love pubic hair. I also love preggos and milkers. You should have 18-year-old preggos, milkers and fuckers. Maci has neither piercings nor tattoos. She's beautiful.—R.M., Lake Jackson, Texas

Leana was one of the only fullblown preggos ever featured. Dear R.M.,

Laura has been one of our lactating teens. You can see her squeeze the milk out of her tits in the Feb. '13 issue of Naughty Neighbors (order it online

at <u>eboobstore.com</u>). Missy Mae was a pregnant teen but was not far along when we shot her. There was also Leana, from the Sept. '02 issue.

Dear Virgin Territory,

I was wondering why you don't show more pregnant teens? I realize there might not be that high of a demand for this niche, but every now and then it would be a nice change of pace. I think it would be something interesting and different. I love seeing

the rounded belly, milk-swollen breasts and darkened nipples of a pregnant woman. And it's even hotter when it's on a cute, young girl who will most likely bounce back to her former figure after giving birth. Just food for thought.-B.T., via email

Dear B.T.,

Thanks for the suggestion. If you look at our response to R.M. in the letter above you can read about a couple of pregnant teens. And you're right-we don't get too many requests for pregnant girls. However we are considering shooting some if they come our way.

Megan's Mams

Dear Virgin Territory,

Whenever I look at Megan's pictorial in the Nov. '13 issue it makes my dick so hard. If I ever saw her I would get an instant boner, and it would be a bitch to hide it. But who knows, maybe she likes that? If she wanted

would. In fact I think I would do anything she asked of me, especially if it involved licking that sweet pussy and asshole of hers.

I know flatties are all the rage around 18eighteen, but truth be told, I like Megan's full tits. I think there are two kinds of guys who like teen girls. Those who just like any girl who is

flat, skinny and looks young as hell, and those who just like youthful, hot girls—whether they are 18 or 23. I'm more of the latter kind. Sure, I like flatties. But I'm not going to be turned off if a girl has a nice, juicy pair of tits like Megan. She has to be pretty first and foremost. And Megan is a total babe. I don't think any guy would turn her down. Does she do hard-core?—J.J., New Haven, Connecticut

Dear J.J.,

Sadly Megan does not do hardcore. At least not with guys. She did do a hot lezzie three-way with Zoey and a MILF in the Jan. '14 issue. Order it on page 11.

Hot Teen Three-way

Dear Virgin Territory,

Sindi is one of my favorite models, so I was thrilled to see her in a three-

way with Jodi. I love it when two girls are cool with sharing a cock and licking pussy. Every photo in this layout was hot, and I came so hard to the double facial at the end. I hope that guy knows how lucky he is to fuck these two hotties! I really mean

it when I say this was a perfect pictorial. You can see the passion in these two girls by the way they kiss and lick each other. I even like the photo on page 56 of Jodi licking Syndi's pussy juices off that guy's fingers. The photo in the table of contents is hot. As soon as I saw it I went straight to that layout. Thanks, again!—W.W., via email

Dear W.W.,

That certainly was a hot layout! If

you'd like to see the video, check out the DVD Boned Brats. Order it on page 9.

Tiffani's Hairless Twat

Dear Virgin Territory,

It's always nice when you bring hot girls like Tiffani back. She is definitely sexy enough to warrant a second pictorial in your lovely magazine. In the debate of bald versus bush, Tiffani wins the bald team a point! Her pussy and butthole are examples of perfectly delicious, hairless morsels. A pretty, tiny pussy like hers should be hairless so that we can see (and taste) every inch of it! Leave the bushes in the 70s and 80s. Pubes are okay as long as they're just on the mound and don't go down the lips. But nothing tops a smooth pussy. What really gets me is when pro-pubers argue that the bald look makes a girl look prepubescent. I Continued on page 18

Tiffani's pussy makes a trong case for bald twats.

never heard such nonsense! If you take a look at Tiffani and her hairless deliciousness, you can see she is all woman! Anyway, keep up the good work!–G.P., Indianapolis, Indiana

Dear G.P.,

We love all kinds of pussies, whether they are hairy or bald. But Tiffani's twat definitely makes a strong case for shaving it all off. Here's a bonus photo of her.

Maci's Fragrant Panties

Dear Virgin Territory,

Maci is exactly the kind of girl I buy your magazine for. She's young and fresh and oh, so cute. Her body is a dream. I noticed lately you have been doing panty giveaways. I hope you have a signed pair of Maci's undies because I would love a chance to win them. I know I'd never have a chance with her in real life. The next best thing would be smelling her sweet pussy scent on her panties. I really love panties. To me the best thing is when a girl forgets her panties at my house. Admittedly, sometimes I keep them for myself and tell the girl I haven't seen them! I know, so naughty!-D.T., Springfield, Illinois

Dear D.T.,

We don't have any signed panties for Maci, but she does have hardcore scenes for you to look forward to!

Marissa still has many firsts left.

While taking a girl's virginity may be the highest experience for some *18eighteen* readers, giving a teen girl her first orgasm with their cock is up there in rank, too. There is something enticing about a young girl who is still learning about her body and so desperately wants to feel that infamous sensation taking over her tight, teen pussy. "I'll get there soon!" Marissa said.

Jenny went away to school with a lot of expectations. The chance to live alone for the first time. The chance to meet new people. The chance to find a real boyfriend. The chance to, well, get a little crazy. She hadn't ever expected, though, to be a popular student's...

enny couldn't believe it. Sure, she'd been in some embarrassing situations before, but this? This was by far the craziest thing that had ever happened to her. Sitting at the sign-in counter, pants balled around her ankles, panties shredded, surrounded by a crowd of fellow students. "Hell-ooo," her mind shouted, "Can you say, busted?"

The semester certainly hadn't started this way. In fact, Jenny was well aware that during orientation week, she'd barely been noticed. Oh, sure, a couple of guys had talked to her at the freshman mixer, but that was about it. She knew exactly why. A totally flat chest and freckles weren't in high demand heading into your first year of dorm life. She even wore glasses, for chrissakes.

The only thing missing is braces, she thought gloomily, during a particularly lonely weekend before classes started. Her dorm mate, Crystal? A full C with hips like a belly dancer. She'd gotten invited to everything.

It wasn't until classes started that things began to change. Some of the upper-classmen had taken notice of her at sign-in, training to be an RA. At first, she'd thought it was because she was assigned to a junior or senior who was training her, and the older girls were all kinds of popular. But soon, she started getting hit on too, and not just by the drunks coming back from the parties and campus pizzeria.

By the end of September, though, she'd gone back to keeping to herself. She'd had to turn down one guy who was just too stalkerish for her liking, and the one date she did accept had been a complete disaster. That guy flirted with just about everyone he came in contact with, and she'd gone home still feeling like he was trying to stick his tongue down her throat. And then...

Then she'd met Chris. He was an RA, a junior, who knew everybody. He'd started hanging around

even when he wasn't on duty. Sometimes at night, when male RAs weren't allowed to be on female floors. He knew the system, though, and never seemed to get caught. One night, Tasha, the senior on duty, had excused herself to go use the rest room, leaving them alone. Chris had chatted her up hard, trying to get her to give in and go out with him. She wanted to say yes in the worst way, but couldn't overcome her wariness. Chris was way older, and her first date was fresh in her mind when Tasha came down the hall toward the round counter of the sign-in station. Chris had leaned in, looking Tasha's way, as if he wanted to share a secret before the other resident's assistant returned. He'd put his hand to her ear, his lips so close she could feel his breath, making her oozy down below.

"I'll see you tomorrow," he'd whispered. "6-D."

Then he'd gone. Tasha sat down, a knowing look on her face. Jenny was still trying to figure out what just happened. Chris hadn't just invited her to his room, had he? Impossible, even as an assistant RA, she couldn't be on

the guys' floor except during

approved hours. She was trying to convince Tasha that she must have heard wrong, when Tash pointed to her right boob. Jenny looked down, seeing it instantly.

Her RA's badge was gone.

When Jenny looked back up, mouth hanging open, Tasha gave her a wink.

"You'll get it back tomorrow," she said reassuringly, giggling. "Just act like you belong."

"But...but," Jenny stammered, still too surprised to speak. Tasha gave her a wicked grin.

"Just don't fall asleep up there. Getting off is easy. Getting off a guy's floor after dark? Not so much."

enny half thought that Tasha had called ahead, because Chris was waiting for her, his door opening even before she'd finished knocking.

"What's up, trainee?" he asked, smiling at her. "Finally change your mind about our date?"

She strode into his room, trying to act like she belonged, like Tasha had told her. But her palms were slick. And the fuzzy spot between her thighs? Her panties couldn't have been wetter if she'd peed them.

"C'mon," she began, reaching out expectantly. "Hand it over." The demand felt hollow, though. She hadn't felt this nervous since the first time she'd changed in the junior high locker room.

Chris had to notice. But if he did, it didn't show. He pointed to the counter overhanging a dorm fridge. Sure enough, there was her badge. She stalked over, stretching to reach over the fridge ...

That's when he had her-taking her by surprise to such an extent that she just froze.

He pressed into her from behind, his hips pinning her in place. The bulge that pressed into her ass crack felt like it was plugged into an open circuit. Chris ran a hand up her side. She trembled, not because it tickled, but because his fingertips managed to find their way to the perky spot

where her nipple stood out throbbing against the thin material of her sun dress. Ahh, the dress. She'd spent an hour trying to figure out what to wear. Now she couldn't decide whether she regretted the dress or not.

"Something...wrong?" Chris asked, sounding as innocent as a choirboy. Jenny's slit, meanwhile, was oozing to the point her panties couldn't hold much more.

"W-what are you—" she began. She still hadn't moved. Hadn't told him to back off. Hadn't done anything, frankly, because the feel of his cock against her ass was so awesome, she didn't want him to do anything but keep pushing it into her. Well, maybe not. Her mind raced. Yeah, there were definitely other things she was considering.

The back of her dress rode up. Either Chris was respon-

sible or somebody had reversed gravity. She felt the material slither up the backs of her legs, making her hold her breath. Then the hem was up over her bloomers, and the fabric was balled up in

the small of her back.

"Pink," he observed,
appraising her undies. "Nice. I
happen to like pink."

She cursed herself for not wearing something sexier, but Chris didn't seem to mind. He was tugging down her drawers with one hand and undoing his drawstring with the other. She couldn't believe this was happening.

"I'd say we've got about ten minutes before Mr. Shroeder does a room check," Chris said, bringing Jenny back to reality. Mr. Shroeder was the RA supervisor. Everyone was careful around him—even Chris. She'd come up here this late specifically because of room-check time. Now, she wanted to kick herself. Finally, she thought of something to say.

"You better get to it, then."

His cock was hot against her lips, finding her sweet spot and splitting her like a piece of overripe fruit. She sounded like a plum being squished, the scent of her snatch strong in her nostrils. The body spray she'd spritzed on after showering was gone, replaced by sweat and Chris' aftershave and sex.

Jenny lay sprawled across the fridge, her nips sore against the cool metal. Chris had a death-grip on her boyish hips as he plunged into her velvet valley, his dick turning her insides to butter. She whimpered, feeling her cum building, taking her out of her zone, to the point she had no control, not over anything. Her fingernails clawed the slick countertop, finding nothing to dig into. She wished Chris had thrown her down on the floor and taken her like a slut so she could dig into his back with them. Right there, in the middle of the room, where his dorm mate might walk in and catch them. She didn't know why, but the thought made her twat squelch even more. Good god, had she ever been this wet before?

She came first, but didn't beat him by much. She'd just started rocking the fridge, drumming it into the wall, when she felt him squirt, an eruption of creamy seed filling her fuck tunnel.

Chris didn't just cum, he pumped her hole full of him-Continued on page 44

Had you ever heard of that kind of pearl necklace?

"No! I had no idea. My boyfriend really likes to put his dick between my boobs even though they aren't that big. One day he was doing that and asked me if he could give me a pearl necklace. I was confused, but I said it was okay. Then he came on me, and it was all over my neck and chin! I was so surprised I started giggling like crazy. To make up for it, he bought me a real pearl necklace. Now it always reminds of that incident."

Do you like it when your boyfriend cums on you?

"It's okay. I like it more when he cums inside of me. I like it because I know he likes it a lot, and he always seems really turned on when I let him blow inside my pussy. I can feel his dick throbbing when it happens, and I will cum at the same time as him."

Are you into older men?

"Yes, definitely. Older men seem to know how to move their tongues. They usually eat pussy better than younger guys. The guys who are my age don't take their time to eat my pussy passionately. Older guys aren't in a rush. To me there is nothing better than a long, slow pussyeating session before I get a nice, long, hard cock. Older guys really have the motion of the ocean, too. They know exactly how to move their dick around in my pussy to make me melt like butter while I'm underneath them."

self. Jenny could remember some pretty memorable orgasms—even if they were all solo flights. She knew a good long cum when it hit her, and this was definitely one of those kinds of cums. Even so, Chris was still spending the last of his nutsauce when she sagged against the fridge, the contents rolling around noisily inside.

She didn't look at him, excusing herself to use the bathroom. Luckily, no roomie was hiding in there, waiting them out. She cleaned up as best she could, eyes popping at the state of her bloomers. They were drenched, and traces of jizz clung to them in back. She barely heard him say, "Uh-oh," when she came out of the toilet. Instantly, panic set in.

Six-ten. She'd already overstayed her welcome...

hey hadn't been caught. Not that time. Now, as other students streamed by, and she felt Chris' fingers probing into her from below, she knew the game was up. No

way could they escape this time. It reminded her of the day in the stacks at the library, when Chris had surprised her by pulling her into a dusty row of old medical books. His tongue was in her mouth and she was sucking on it, her hand cupping

his balls through his tight jeans. A little makeout wasn't unheard of in the stacks. But when he unzipped and took his thing out, right there in the aisle...

"No way!" she protested. But he was insistent. His desperation made her horny.

"C'mon," he said, the urgency in his voice unmistakable. "There's always time for a handjob."

She was turned on by his brazenness. A handjob? The library was packed. It was right before midterms! Just because they were alone right now didn't mean—

He squirted something into her hand. Lip balm. The greasy kind. She wrapped her fist around his shaft. He was harder than calculus.

"Chris," she said, looking back up the row. Still nobody. Before she knew it, she was working his prick, using slow, long strokes—the kind designed to make him shoot.

They'd become fuck buddies in the week after that first time in his dorm room. She'd never had a fuck buddy before, and tried to keep it a secret. But Tasha knew. She'd guessed as much the night Jenny hadn't signed back in, hiding instead on the boys' floor, terrified that Mr. Shroeder would indeed conduct a room check.

It hadn't happened. Nothing had.

Well, not exactly nothing...

Now Chris was fucking her hand, and Jenny could hear students pulling books from the shelf in the next aisle. Chris opened his eyes and locked stares with her.

"What if we get caught?!" she mouthed. But his index finger slipped between her lips, and she closed her mouth around it, mimicking the blowjob both of them wished they could be enjoying. Chris was getting close to blowing his load, that much was obvious. His dick felt like a lead weight in her hand.

"You think one of the frosh has it?" asked a girl who couldn't have been six feet away, just out of sight.

"Nah, it's gotta be here," a male student answered. "Keep looking."

Jenny didn't know what was shelved on the other side of the stack, but she prayed it was medieval history. Or poly-sci texts. Anything but a book a med student might need, because Chris was arching his back, gripping the shelf, about to spooge on her.

She thought about swallowing, dropping to her knees and guzzling his man-milk. But he'd said handjob, and he'd put them in this position, so...

She yanked a tissue out of her pocket, knowing even before he started to spurt that it wasn't going to be up to the task. Still, it was something. She didn't want to have to jack him off into, into...hell, she couldn't even pronounce the title she was looking at.

Sticky-handed, she excused herself after a quick kiss. Chris managed to get zipped just before two juniors came

around the corner and found them there. Jenny thought the pair looked at them funny, but oh well, it wasn't her problem. Chris gave the two a wave and walked away, a little bow-legged, in the opposite direction. Face

flushed and grinning, Jenny hurried off to the bathroom to wash her hands.

But not before sucking her fingers dry, first.

hinking about the afternoon in the library still got her juices going. Not that she needed it right now. The chair she was sitting in was basically a tall patio chair. PVC straps formed the back and base. Easy to part and reach through. Which was exactly what Chris had done. At this very moment, his thumb was in her pussy, his middle finger tickling her back door, one knuckle deep in her visetight asshole. Her dress was pushed up around her hips, which was what had enabled him to bury his face in her cunny without anybody noticing.

Without noticing yet, she corrected, because this couldn't possibly last much longer.

omecoming. Perhaps that had been the worst. Or best. She still wasn't sure. The school wasn't exactly a football powerhouse. Her dad wasn't even sure they qualified as NCAA division-Anything, but he always joked with her good-naturedly about it. Sure, she could have gone to Georgia or Georgia Tech, someplace local, but she wanted to go away. Wanted to experience winter for a change. Wanted to be on her own for a change. To get a little crazy if she wanted.

Homecoming was crazy, all right. The temperature was colder than anything she'd been planning for, and the night before the game, Chris had taken her out to get leg

A girl like her never wants for dates. "I ran for homecoming queen my senior year, and I remember I had so many dates! So many, in fact, that I didn't end up going with any of them. I didn't want to be tied down to anyone. I wanted to keep my options open. That was one of the best decisions I ever made." 56 eighteen

Why was that one of your best decisions?

"Because I danced and flirted with lots of cute guys. If I had gone with a date, I would have had to stay with him the whole time. Boring! I also made out with a girl. And towards the end of the night I snuck behind the bleachers with one of the guys and got the shit fucked out of me."

warmers. Actually, she thought they were labeled hockey socks, but still, they were the school colors, and they were plenty warm.

Warm enough for her to wear one of her wool skirts—which Chris insisted on. Her skirt, a tight sweater, and no bloomers. Absolutely, under no circumstances, was she to put on undies. She knew, of course, that Chris had a reason. And she expected that reason to be the ability to give her a good fingering in the bathroom, or perhaps behind the booster club booth late in the game, when their team would inevitably be losing big.

Boy, had she been wrong.

Chris had shown up dressed like a bum. His knock-around jogging pants. A faded sweatshirt from his freshman year that had been washed about a dozen times too many. A heavy winter jacket that was about a month away from being necessary, even in this weather.

Could've been worse, she'd thought. Wasn't like he was the first guy to show up having skipped laundry for a week...or three.

Third quarter, up in the nosebleed seats, with the game not exactly close but their school trying to make a comeback, Chris had pulled her onto his lap, kissing the back of her neck, sending goose bumps up her arms. She didn't feel it—not yet—but soon enough she did, and her blood had turned to ice.

The head of his cock was exposed somehow. Exposed, and rubbing against her bare southern lips.

"Oh, no!" she hissed. "You can't really be ser-"

Oh, but he was. Their team got a turnover. The crowd cheered and Chris shifted her in his lap while she waved the foamy finger he'd bought her. Even though it was cold, she was wet, and he slipped into her easily, his warmth radiating outward from her cunt and making her shiver. He'd cut a small hole in his sweats, and gone commando just for this chance.

The team got a first down. Chris bounced her on his lap. She cheered, although she had no idea what was happening on the field. What was

happening in her crotch was all that was important. Their quarterback avoided a sack. More raucous cheering. Chris lifted her up and let her drop back onto his erection, his hardon slamming into her fuckhole. She waved the foamy finger, which Chris felt three times bigger than. First down. Something about chains moving. Jenny felt her insides moving, just about all the way into her intestines. She was dripping now, feeling the dampness on the insides of her thighs as Chris started to bounce his knees up and down, the way those people with restless leg syndrome do. Only, his legs weren't restless and he wasn't nervous about their team scoring. He was using the action to hide the fact that he was short-stroking her pussy, bringing them both closer to orgasm. An orgasm she found herself desperate to experience. Her fear-still there, no question about that-was falling away. She wanted him to get her off, even here, with a few thousand people in the stadium as potential witnesses. She could see it now-a student cameraman figuring out what was really going on up in Section 307 and splashing her and Chris' image on the scoreboard.

Thank goodness dad would be watching Georgia and Clemson, she thought, closing her eyes as their team marched toward the goal line.

If they score, she remembered thinking, just as Chris' balls wedged between her soggy lips. They won't be the only ones...

Their quarterback rolled out. He didn't look like he was rolling, more like running, but what did she know? The fans were screaming. Some were doing the wave. Jenny thought that if Chris tried to join in while his cock was buried in her, she'd scream, but he didn't. Instead, he waited. And waited. And waited.

There was a pile up down by the end zone. The fans were going crazy shouting. Chris was thrusting into her in time with the rhythm of the fans' chants. Somewhere, as dizziness threatened to overtake her, a whistle blew, then a horn.

"Touchdown!" roared the announcer over the PA. Chris exploded, jizzing deep inside her. Jenny waved the foam finger, trying to catch her breath. Student cheerleaders ran up

you could be so lucky?

Would your friends be surprised that you have such a naughty side?

"Not really. Most of them know that I'm bisexual and wild. It's just that I enjoy doing simple things, like stargazing and going to a diner for a slice of pie. But I also love being a slut! I don't see why I can't be both at the same time. I even told a few friends that I was posing for your magazine, and they were like, 'We totally saw that coming.' And of course now everyone knows!"

She was born in Shanghai, China and currently lives in New York City. Her measurements are an incredible 31-21-33. And as if she weren't already perfect enough, she's flexible, too! "I was a cheerleader and danced for 10 years so I'm very flexible and can get into all kinds of positions." She's not as sexually experienced as some of our other models, but she's working on that. "A lot of my friends have done kinky sex things, but I still have a lot to try. I want to do anal and be in a three-way with another guy and girl."

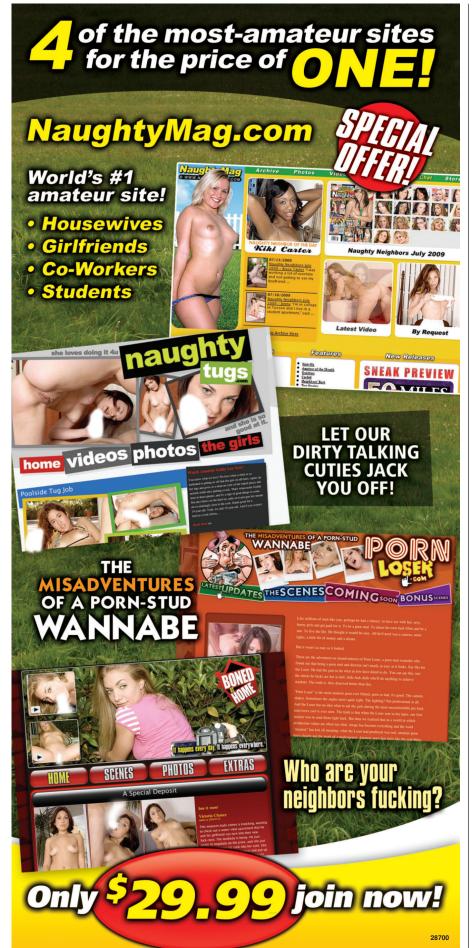

Her tiny Asian pussy is ready for some action!

Imagine all the pleasure Alina's little cunt will give and receive once she gets the ball rolling! She's only scraped the surface of her sexuality. "All the possibilities make me excited. I've just recently learned how to have an orgasm from sex with my fuck buddy. I can only handle one because it feels so intense. But I want to get to the point where I can have lots and lots and just keep fucking for a long time. He told me I should masturbate more often for practice. I haven't been playing with myself too much lately because I've been getting regular dick, but now I think I'll try it. I just bought some new sex toys that look like a lot of fun."

and down the stadium steps trailing banners. Jenny let her head fall back onto Chris' shoulder, completely fucked-out. Totally spent.

He took the giant foam finger from her, discreetly sandwiching it between her bare ass and his crotch. She wondered if he'd bought it specifically for the purpose.

For the remainder of the quarter, she leaked cum into the spongy hand, thinking for the first time in her life that she might find a way to enjoy watching football after all.

Mr. Shroeder strode purposefully over to the counter, fixing her with a stare. Down below, Chris was lapping her clit, fingering her with his thumb, his nose buried in her fur. It was hard for her to keep her composure.

"Jenny," Shroeder said by way of introduction. "Where's Mr. Tollin?"

Jenny felt Chris tense beneath the counter. This was it, she thought. But if you were going to crash and burn, you might as well go down in flames, right? So she put her hand on the back of Chris' head, grinding her snatch into his face.

"He, uh, had to run out for a minute," she answered. Never the best of liars, Jenny felt her face going red. Mr. Shroeder pursed his lips, looking at her strangely. Was...was he staring at her titties???

She didn't dare glance down. But Chris reacted, taking the opportunity to work his middle finger a second knuckle deep. Jenny let out an involuntary, "Uhummm..."

Shroeder pointed. Jenny glanced down. Uh-oh. Her RA badge was gone. In it's place was Chris'. When the heck had he pulled that stunt?

"Hmph," Shroeder finally uttered, maintaining the stare. "Well, I guess Mr. Tollin can be forgiven. I know you two have been here all day. I can't exactly blame him for wanting to get something to eat."

Had he really just said that? Did that look like a smirk on his face? Jenny couldn't tell. But her throat closed up tight like the first time she'd ever tried to deep throat. She offered

him a weak smile.

"Tell Mr. Tollin not to be so cavalier about his ID, would you, Jenny?" Shroeder asked, taking hold of the badge and letting it drop back against her chest. It landed off-center, her nipple skewing it. Jenny thought-no, she was sure–Shroeder's finger had just brushed across it. Chris slurped, almost loud enough for Shroeder to hear. His nose rubbed against her button, and Jenny knew that if Shroeder didn't leave soon, things would go downhill real, real fast.

"See you at the Monday meeting," the supervisor finally said, and Jenny prayed he would wrap it up. She fidgeted uncomfortably in the chair, desperately trying to hold off her orgasm. Shroeder nodded, then rapped his knuckles on the counter, right above where Chris' head was bobbing in Jenny's lap. He was just the slightest bit stubbly, and she was enjoying the rough feel of his facial hair against her naked thighs.

Another student signed in. Then another. But fortuntaely, the crowd had thinned to almost nothing. Jenny saw the last straggler head for the elevators. Chris plunged his tongue deep into her cleft as if he could see the lobby emptying.

She came hard, gushing into his mouth, flooding his tongue with her sweet, sticky love juice. The finger-fucking lasted through two more orgasms, until finally, Chris came up for air. He gave her a firm kiss on the mouth. He smelled like pussy. Better, he tasted like it.

"Just in time," he mumbled under his breath, as the elevator opened and their relief showed up. Chris highfived a friend of his from the fifth floor. The girl was new, a transfer student. She looked away when Jenny gave her the eye.

She'd learn, Jenny thought. Or, she would if Chris' friend was any good at...training.

Chris took her hand and angled for the stairs, not the elevator. As the steel security door closed behind them, something occurred to her.

The stairwell–they hadn't ever fooled around in there. Yet.

Alice just can't keep her legs closed!

She's supposed to be studying, but then she starts to feel that familiar tingle between her legs. She's horny, and nothing is going to make it go away until she cums. So she flashes her panties to this guy, and there's no way he can resist. From head to toe, she's the complete package. She gets her big pussy lips sucked on, then looks right up at her fuck-buddy with her big, blue eyes while she swallows his meat. "I do that so he can really see how much I enjoy the taste of cock."
